

PAPER

Introducing 12 Days of Paper!

We're excited to introduce the 2023 edition of 12 Days of Paper. As we head into the Holiday season we've created twelve days of plug and play activities that you can use in your classroom to keep your students learning and capture the complete Paper experience!

What can you expect over the twelve days?

- Made by educators for educators, we'll present a new classroom activity every day from **Dec 4th until December 20th**.
- Activities and instructions will be delivered via email, including student guides and videos.
- Activities will also be posted daily to our social media networks ([Twitter](#)/[Facebook](#))

What's the holiday season without presents?

Every day throughout 12 Days of Paper we'll be giving a Paper Present (\$50 Amazon Gift Cards) to 3 lucky educators. All you have to do to be eligible is make a post on Twitter or Facebook explaining how you're using Paper in your classroom that day. Don't forget the hashtag **#12DaysOfPaper** in your post!

#12DaysOfPaper
